Exploration of the Science Center/Museum

Sci-Port Discovery Center is a 92,000 square-foot science and entertainment center made up of Louisiana's Science and Space Center (LSSC), Power of Play (PoP) Children's Museum and Louisiana's only IMAX® Dome Theatre. LSSC includes over 200 hands-on exhibits, interactive programs and demonstrations and the Sawyer Space Dome Planetarium. PoP is a kid-sized Shreveport-Bossier where kids ages 8 and under can learn through the power of play. The IMAX® Dome Theatre immerses guests in award-winning films through state-...

Bars without Barriers Prison Outreach

Teaching incarcerated fathers in Caddo Correctional Center's Re-Entry program how to engage their children in science/STEM using fun, hands-on techniques. Incarcerated fathers learn STEM techniques and childhood development facts the first week (2 hours), then become the teacher the second week (2 hours) during a family contact visit with their children and the non-incarcerated caregiver. The program has 6 modules and lasts 12 weeks. Incarcerated fathers are also completing CTE courses in carpentry and fiberoptics (certificate...
